

Sr. No.	Department	First author	Title of article	Year	Name of journal
1	Cardiovascular & Respiratory Physiotherapy	Dr. Madhur Kulkarni	<a href="#">Effects of occupational exposures on the lung functions and quality of life of garbage collectors in the urban area</a>	2019	Indian journal of occupational and environmental medicine 23 (3), 102
2	Cardiovascular & Respiratory Physiotherapy	Dr. Madhur Kulkarni	<a href="#">Effects of Battle Rope Training in Individuals with Sedentary Lifestyle</a>	2019	International Journal of Innovative Science and Research Technology
3	Cardiovascular & Respiratory Physiotherapy	Dr. Madhur Kulkarni	<a href="#">Effectiveness of respiratory muscle training along with aerobic training in community dwelling elderly individuals</a>	2017	International Journal of Applied Research 2 (4), 130-134
4	Musculoskeletal Physiotherapy	Dr. Pallavi Chopade	Comparison of Maitland's Mobilization and Mckenzie Therapy in Patients with Non-specific Low Back Pain.	2018	International Journal of Biological and Medical Research
5	Musculoskeletal Physiotherapy	Dr. Pallavi Chopade	Comparison of Knee Rotation In Symptomatic Subjects And Osteoarthritis Patients.		
6	Musculoskeletal Physiotherapy	Dr. Himanshu Pathak	Effect of Kinesiotaping as an adjunct to conventional exercises on shoulder pain, range of motion and disability in patients with subacromial impingement syndrome.	2020	International Journal of Yoga, Physiotherapy and Physical Education.
7	Musculoskeletal Physiotherapy	Dr. Himanshu Pathak	Effectiveness of Oropharyngeal Exercises in Patients with Moderate Obstructive Sleep Apnoea Syndrome.	2018	Indian Journal of Basic and Applied Medical Research
8	Musculoskeletal Physiotherapy	Dr. Himanshu Pathak	Effect of Kinesiotaping along with Kalternborn mobilization in patients with Sub Acute Adhesive Capsulitis.	2017	International Journal of Current Advanced Research
9	Musculoskeletal Physiotherapy	Dr. Himanshu Pathak	Incidence of Proprioceptive Deficit in Recurrent Lateral Ankle Sprain Among Young Adults.	2016	Journal of Medical Science and Clinical Research
10	Musculoskeletal Physiotherapy	Dr. Himanshu Pathak	Effect of Hip muscle strengthening as an conservative management in patients with patellofemoral pain syndrome.	2015	International Journal of Science and Research
11	Musculoskeletal Physiotherapy	Dr. Himanshu Pathak	Effect of cryotherapy on intrinsic muscle strength of the hand.	2014	Indian Journal of Physiotherapy and Occupational Therapy
12	Musculoskeletal Physiotherapy	Dr. Himanshu Pathak	Influence of Plyometric training and strength training on sprinting performance of the cricketers.	2013	Indian Journal of Physiotherapy and Occupational Therapy
13	Neurophysiotherapy	Shamla Pazare	Correlation between self efficacy and depression in geriatric population having osteoarthritis of knee.	2015	Indian J Physiothe Occup Ther
14	Neurophysiotherapy	Shamla Pazare	Effect of tactile stimulation on dexterity and manual ability of hand in hemiplegic cerebral palsy children.		Int J Therapies and Rehabilitation Research.

15	Neurophysiotherapy	Shamla Pazare	Effect of Pilates exercise on abdominal strength and endurance, girth and skin fold in young women.	2018	Indian Journal of Basic and Applied Medical Research
16	Neurophysiotherapy	Shweta Ingale	A comparative study between the effect of Functional Limb Overloading and Conventional therapy on gait parameters, balance and functional independence in Chronic Stroke patients	2019	International journal of basic and applied research
17	Neurophysiotherapy	Shamla Pazare	The effects of Kinesio Taping and Isometric Exercises on Pain in Primary Dysmenorrhea – A Comparative study.	2019	Indian J Physiothe Occup Ther
18	Neurophysiotherapy	Shamla Pazare	Effect of two sequencing combinations of physical practice and mental practice on balance in stroke patients.	2020	International Journal of Physiotherapy and Research
19	Community Physiotherapy	Dr. Ashish Bele	Mental Health Impact of COVID-19 Lockdown and its relationship with the Resilience among Undergraduate Health Sciences Students.	2022	Indian Journal of Psychiatry
20	Community Physiotherapy	Dr. Ashish Bele	Study of Relationship between Mental Health Impact of COVID-19 lockdown and Resilience among Physiotherapists.	2022	Indian Journal of Psychiatry
21	Community Physiotherapy	Dr. Ashish Bele	A Physiotherapy Approach in Lumbar Spondylosis and PIVD in a 44 years Old Male Patient.	2021	Journal of Medical Pharmaceutical & Allied Science
22	Community Physiotherapy	Dr. Ashish Bele	Effectiveness of Chest Physiotherapy and Early Mobilisation in patient with Guillain-Barré Syndrome.	2021	Journal of Medical Pharmaceutical & Allied Science
23	Community Physiotherapy	Dr. Ashish Bele	Cognitive impairment and its impact on quality of life in rural Indian female after stroke: A cross sectional study.	2021	Journal of Medical Pharmaceutical & Allied Science
24	Community Physiotherapy	Dr. Ashish Bele	Comparative Study of Efficacy of Cryotherapy and Myofascial Release Technique in Calf Muscle Spasticity in Spastic Diplegic Cerebral Palsy Children.	2021	Journal of Medical Pharmaceutical & Allied Science
25	Community Physiotherapy	Dr. Ashish Bele	Relationship between Sacralization and low back pain in rural population.	2021	Journal of Medical Pharmaceutical & Allied Science
26	Community Physiotherapy	Dr. Ashish Bele	A 57 Years Old Diabetic and Hypertensive Female Patient with Frozen Shoulder– A Case Report	2021	Journal of Medical Pharmaceutical & Allied Science
27	Community Physiotherapy	Dr. Ashish Bele	Prevalence of Common Musculoskeletal Problems Seen in Special School Children's in Rural area	2021	Journal of Medical Pharmaceutical & Allied Science
28	Community Physiotherapy	Dr. Ashish Bele	Significance of Precautionary Measures, Rehabilitative Care and Physiotherapy Approach during Pandemic of COVID-19.	2021	Journal of Medical Pharmaceutical & Allied Science
29	Community Physiotherapy	Dr. Ashish Bele	Role Of Physiotherapeutic Interventions In Dagdha (Burn) Injuries.	2021	Journal of Datta Meghe Institute of Medical Sciences University
30	Community Physiotherapy	Dr. Ashish Bele	Comparison the Impact on TENS and Conventional Physiotherapy in Stroke Patients with Upper Limb Dysfunctions: A Research Protocol.	2021	Journal of Pharmaceutical Research International
31	Community Physiotherapy	Dr. Ashish Bele	Impact of Pre-Operative Coping Strategies and Exercises on Post-Operative Recovery and Quality of Life of Patients with Cancer having Depression.	2021	Journal of Pharmaceutical Research International
32	Community Physiotherapy	Dr. Ashish Bele	Immediate Effect of Muscle Energy Technique and Kalternborn Mobilisation Technique on Pain in Diabetic Patients with Periarthritis of Shoulder.	2021	Journal of Pharmaceutical Research International
33	Community Physiotherapy	Dr. Ashish Bele	Impact of Therapeutic Ultrasound and Myofascial Release Technique on Quality of Life of Students Having Neck Pain Following Virtual Learning.	2021	Journal of Pharmaceutical Research International
34	Community Physiotherapy	Dr. Ashish Bele	A Case Report of Comminuted Patella Fracture with Open Reduction.	2021	Journal of Pharmaceutical Research International
35	Community Physiotherapy	Dr. Ashish Bele	A 10 Years Old Child Presented with Hemiparesis and Moyamoya Disease – A Case Report.	2021	Journal of Pharmaceutical Research International
36	Community Physiotherapy	Dr. Ashish Bele	Approach of Physiotherapist towards Patient during COVID-19 Pandemic in Rural Area.	2021	Journal of Pharmaceutical Research International

37	Community Physiotherapy	Dr. Ashish Bele	A cross-sectional study of effect of stress and anxiety on neck pain among undergraduate physiotherapy and nursing students of a rural health sciences University from Maharashtra, India.	2021	Medical Science
38	Community Physiotherapy	Dr. Ashish Bele	A cross-sectional online survey of an impact of COVID-19 lockdown on smartphone addiction and nomophobia among undergraduate health sciences students of a rural tertiary health-care center from Maharashtra, India.	2021	Ann Indian Psychiatry
39	Community Physiotherapy	Dr. Ashish Bele	Impact of exercises, yoga, and meditation on anxiety and depression during COVID 19 lockdown.	2021	Journal of Datta Meghe Institute of Medical Sciences University
40	Community Physiotherapy	Dr. Ashish Bele	A cross-sectional online survey of relationship between the psychological impact of coronavirus disease 2019 and the resilience among postgraduate health sciences students from Maharashtra, India.	2021	Int J Acad Med
41	Community Physiotherapy	Dr. Ashish Bele	Endurance and Respiratory Training, an Approach to Delay the Symptomatic Progression in Multiple Sclerosis - A Case Report	2021	Indian Journal of Forensic Medicine & Toxicology
42	Community Physiotherapy	Dr. Ashish Bele	Effect of Wobble Board Training with Mirror Feedback and Computer Based Balance Board Training on Static and Dynamic Balance and Quality of Life in Elderly Population.	2021	Indian Journal of Forensic Medicine & Toxicology
43	Community Physiotherapy	Dr. Ashish Bele	A Protocol on Effect of Gaze Exercises and Balance Regimen on Quality of Life of Patients with Peripheral-Vertigo.	2021	Indian Journal of Forensic Medicine & Toxicology
44	Community Physiotherapy	Dr. Ashish Bele	A Protocol on Effect of Cryotherapy and Myofascial release Technique in Calf Muscle Spasticity of Spastic Diplegic Cerebral Palsy Children.	2021	Indian Journal of Forensic Medicine & Toxicology
45	Community Physiotherapy	Dr. Ashish Bele	Impact of Electrotherapy or Muscle Training on Quality of Life in Urinary Incontinence of Male Geriatric Population- A Protocol.	2021	Journal of Clinical and Diagnostic Research.
46	Community Physiotherapy	Dr. Ashish Bele	A cross-sectional online survey of relationship between the psychological impacts of Coronavirus Disease 2019 (COVID-19) lockdown and the resilience among physiotherapy professionals in India	2021	Medical Science
47	Community Physiotherapy	Dr. Ashish Bele	Cognitive Impairment and Its Impact on Quality of Life in Rural Indian Female after Stroke: A Cross Sectional Study Protocol	2021	Indian Journal of Forensic Medicine & Toxicology
48	Community Physiotherapy	Dr. Ashish Bele	A review of global mistakes in the spread of COVID-19 and the approach of India towards it.	2020	Journal of Datta Meghe Institute of Medical Sciences University
49	Community Physiotherapy	Dr. Ashish Bele	Combined effect of spiral suit and physical therapy in rehabilitation of quadriplegic cerebral palsy patients in rural areas.	2020	Journal of Datta Meghe Institute of Medical Sciences University
50	Community Physiotherapy	Dr. Ashish Bele	Comparative study of effect of vaginal cones as a biofeedback device and pelvic floor exercises in rural females with urinary incontinence	2020	Journal of Datta Meghe Institute of Medical Sciences University
51	Community Physiotherapy	Dr. Ashish Bele	Impact of fall on anterior cruciate ligament of 33-year-old male.	2020	Journal of Datta Meghe Institute of Medical Sciences University
52	Community Physiotherapy	Dr. Ashish Bele	Impact of the physiotherapy rehabilitation program on the geriatric patients following post-operative stiffness of Supraspinatus Tendinitis	2020	J Evolution Med Dent Sci
53	Community Physiotherapy	Dr. Ashish Bele	A case of fracture shaft femur in a patient with transtibial amputation.	2019	Journal of Datta Meghe Institute of Medical Sciences University
54	Community Physiotherapy	Dr. Ashish Bele	Prevalence of Mechanical Low Back Pain in Housewives	2019	Online International Interdisciplinary Research Journal
55	Community Physiotherapy	Dr. Ashish Bele	Effects of Structured and Unstructured Physical Activity on the Physical Capacities in Healthy Individuals	2019	Online International Interdisciplinary Research Journal
56	Community Physiotherapy	Dr. Ashish Bele	Study of Temporomandibular Joint Range of Motion in Tobacco Chewers	2019	Online International Interdisciplinary Research Journal

57	Community Physiotherapy	Dr. Ashish Bele	Balance Evaluation in Elderly Population.	2019	Online International Interdisciplinary Research Journal
58	Community Physiotherapy	Dr. Ashish Bele	Perception of Stress in Physiotherapy and Nursing Students of DMIMS during Exam Period.	2019	Online International Interdisciplinary Research Journal
59	Community Physiotherapy	Dr. Ashish Bele	A Pilot Case Study On The Recommendations For The Use Of BOTULINUM TOXIN TYPE A In Gait Habilitation & Functional Improvement In A 6 Year Female Diplegic Cerebral Palsy child.	2018	Online International Interdisciplinary Research Journal
60	Community Physiotherapy	Dr. Ashish Bele	Effect of Electrical Muscle stimulation and Facial Massage Techniques in Rural Bell's Palsy Patient: A Case Study	2018	Online International Interdisciplinary Research Journal
61	Community Physiotherapy	Dr. Ashish Bele	Effect of Medial Patellar Taping in Individuals with Patellofemoral Pain Syndrome in Rural Areas.	2018	Online International Interdisciplinary Research Journal
62	Community Physiotherapy	Dr. Ashish Bele	Effect of Lateral Patellar Taping in Individuals with Patellofemoral Pain Syndrome in Rural Areas.	2018	Online International Interdisciplinary Research Journal
63	Community Physiotherapy	Dr. Ashish Bele	Test-Retest Reliability of Numeric Pain Rating Scale And Visual Analogue Scale with Elderly Patients having Low Back Pain in Rural Areas.	2017	Online International Interdisciplinary Research Journal
64	Community Physiotherapy	Dr. Ashish Bele	Impact of Neck Pain on Daily Living Activities of Housewives in Community.	2016	Online International Interdisciplinary Research Journal
65	Community Physiotherapy	Dr. Pratima Sarwadikar	An Active Aging Model for improving activity and participation of community dwelling elderly in Ahmednagar(India)	2020	International Journal of Physiotherapy and Research
66	Community Physiotherapy	Dr. Pratima Sarwadikar	Association of Physical Activity and Health Related Quality of Life in Elderly Diabetic Individuals among Rural Community - A Cross Sectional Study	2018	International Journal of Science and Research
67	Community Physiotherapy	Dr. Pratima Sarwadikar	The Effects of Therapeutic Exercises on Physical Performance among Diabetic Older Individuals from Rural Population	2018	International Journal of Science and Research
68	Neurophysiotherapy	Sushil Arora	Effectiveness of Oropharyngeal Exercises in Patients with Moderate Obstructive Sleep Apnoea Syndrome.	2018	Indian Journal of Basic and Applied Medical Research
69	Neurophysiotherapy	Sushil Arora	Effect of dura disc exercises on balance in patients with diabetic peripheral neuropathy: experimental study	2022	International Journal of Current Advanced Research
70	Neurophysiotherapy	Abhishek Pancha	CORRELATION OF CHANGES IN HAND FUNCTION AND HAND GRIP STRENGTH IN GERIATRIC POPULATION	2022	International Journal of Current Advanced Research
71	Cardiovascular & Respiratory Physiotherapy	Dr. Shilpa A. Parab	COMPARATIVE STUDY ON EFFECTS ON EMPLOYEES OF MATERNITYLEAVE POLICIES IN INDIA AND CANADA	2017	International Journal Of Economics and Social Sciences(IJLRESS)
72	Cardiovascular & Respiratory Physiotherapy	Dr. Shilpa A. Parab	Effect of Rebound Exercises in Overweight individuals on BMI with Waist Hip Ratio and Lung Function- Randomized Control Trial	2018	International Journal of Scientific Research in Science and Technology
73	Cardiovascular & Respiratory Physiotherapy	Dr. Shilpa A. Parab	Comparison of self Myofacial Release Technique using Foam roller and Lacrosse ball in Individuals with Hamstring Tightness	2020	Indian Journal of Academic Research
74	Cardiovascular & Respiratory Physiotherapy	Dr. Shilpa A. Parab	RIGID TAPING AS AN ADJUNCT TO REDUCE KINESIOPHOBIA IN NON SPECIFIC LOW BACK PAIN	2017	International Journal of Current Research
75	Cardiovascular & Respiratory Physiotherapy	Dr. Shilpa A. Parab	EFFECT OF AEROBIC EXERCISES ON QUALITY LIFE,RATE OF ERCEIVED XERTION AND PULMONARY FUNCTION TEST IN HIV FEMALES	2017	International Journal of Physiotherapy and Research

76	Cardiovascular & Respiratory Physiotherapy	Dr. Shilpa A. Parab	EFFECTIVENESS OF RESPIRATORY MUSCLE TRAINING ALONG WITH AEROBIC TRAINING IN COMMUNITY DWELLING ELDELY INDIVIDUALS	2016	International Journal of Applied Research
77	Cardiovascular & Respiratory Physiotherapy	Dr. Shilpa A. Parab	COMPARISON BETWEEN PHYSIOLOGICAL COST INDEX IN HEALTHY NORMAL CHILDREN AS AGAINST AMBULATORY SPASTIC DIPLEGIC CEREBRAL PALSY ( WITH AND WITHOUT ORTHOSIS) IN THE AGE GROUP OF 6-8 YRS	2016	International Journal of Physiotherapy
78	Cardiovascular & Respiratory Physiotherapy	Dr. Shilpa A. Parab	EFFECT OF AEROBIC EXERCISES ON QUALITY OF LIFE, RATE OF PERCEIVED EXERTION AND PULMONARY FUNCTION TEST IN HIV FEMALES	2017	International Journal of Physiotherapy and Research
79	Cardiovascular & Respiratory Physiotherapy	Dr. Shilpa A. Parab	Prevalence of Shoulder Pain in petrol pump workers	2017	Journal of Applied and Advanced Research
80	Neurophysiotherapy	<b>Shamla Pazare</b>	Effect of Scapular Kinesiotaping as an Adjunct to Dynamic Neuromuscular Stabilization Exercises on Upper Extremity Functions in Stroke Patients	2022	International Journal of Health Sciences and Research
81	Neurophysiotherapy	<b>Shamla Pazare</b>	Effect of Dura Disc exercises on Balance in patients with diabetic peripheral neuropathy- Experimental Study	2022	International Journal of Current Advanced Research
82	Neurophysiotherapy	<b>Shamla Pazare</b>	Correlation of changes in hand function and hand grip strength in geriatric population	2022	International Journal of Current Advanced Research
83	Neurophysiotherapy	<b>Shamla Pazare</b>	Correlation of changes in hand function and hand grip strength in geriatric population.	2022	International Journal of Current Advanced Research
